

**[name, e.g., Consortium Coordinator]**  
**Curriculum Vitae (CV)**

**1. Personal Information:**

- **Full Name:** Benjamin Mapetese
- **Contact Information:** 33308 Tynwald North, Harare, Zimbabwe ZIP Code+263
- **Email:** director.atp@afcgnc.com
- **Phone:**
- 263712234910

**2. Research Area:**

- **Proposed Research Area:** Sustainable Capabilities

**3. Thematic Focus:**

- **Thematic Focus:** Climate Change

**4. Professional Summary:**

- I am Passionate about advancing Climate change best practices and contributing to the consortium's success by using research to explore the intricacies of Sustainable business models that can leverage Industry symbiosis within the circular economy's emphasis on resource efficiency by reusing, recycling, and regenerating. The research will equip Leaders with the Capabilities required to transform Organisational practices through strategic sustainability and lead their organisations towards a more sustainable future thus contributing to achieving the 2030 Sustainable Development Goals and the Paris agreement's commitment to achieve Net Zero by 2050 and consequently the 2030 Agenda

**Tiffany A. Archer, Esq.**  
**Curriculum Vitae (CV)**

**1. Personal Information:**

- **Full Name:** Tiffany A. Archer
- **Contact Information:** 777 Westchester Avenue, Suite 101 White Plains, NY 10604
- **Email:** tiffany@eunomiarisk.com
- **Phone:** +1.917.270.2041

**2. Research Area:**

- **Proposed Research Area:** Governance, compliance, and risk in emerging markets, with a focus on economic transformation, digitalization, and human capital development.
- **Thematic Focus:** Proven ability to lead cross-disciplinary initiatives and deliver impactful results across governance, compliance, and risk, with contributions that directly support Africa's agenda for economic transformation, sustainability, and digital readiness. Work centers on the intersection of governance, behavioral science, and digital transformation, aligned with Africa's development priorities. Current focus includes strengthening institutions, compliance frameworks, and ethical leadership to support **economic transformation and governance**; embedding ESG and risk oversight into organizational strategies to address **climate change**; and enabling transparent, cross-border compliance systems that build trust and integration in **regional trade**. Additional emphasis is placed on applying governance and risk expertise to agricultural supply chains to enhance **food security**, advancing **human capital** through executive forums, academic teaching, and leadership development, and guiding the responsible adoption of AI, data analytics, and cybersecurity to ensure that **digitalization** strengthens rather than undermines governance systems.

**5. Education:**

- *Juris Doctor*
  - The George Washington University Law School, 2007
- *Bachelor of Arts, Psychology*
  - University of Pennsylvania, 1998

# Tonisha Tagoe

Curriculum Vitae (CV)

---

## 1. Personal Information

- Full Name: Tonisha Tagoe
  - Location: London, United Kingdom
  - Email: [info@tonishatagoe.com](mailto:info@tonishatagoe.com)
  - Phone: +44 7366 956842
  - LinkedIn: [linkedin.com/in/tonishatagoe](https://linkedin.com/in/tonishatagoe)
- 

## 2. Research Area

- Proposed Research Area: The Technological Transformation of Business Diplomacy — examining how generative AI, digital resilience, and cybersecurity are reshaping governance, international cooperation, and economic transformation.
  - Thematic Focus: Leadership in business diplomacy, digital transformation, and the role of emerging technologies in global governance. Current work centres on integrating AI into diplomatic practice, building cyber resilience frameworks, and strengthening institutional capacity to respond to disruption.
- 

## 3. Professional Summary

Distinguished executive leader and strategist with over 20 years' experience across higher education, entrepreneurship, and executive development. Recognised for convening heads of state, corporate executives, and policymakers to address governance, technology, and sustainable development. Proven record of building platforms that connect diverse regions and sectors, and of distilling complex themes such as artificial intelligence, cybersecurity,

and trade into actionable strategies for decision-making at the highest levels. Current focus is on The Technological Transformation of Business Diplomacy, developing frameworks that strengthen digital resilience and position Africa as a proactive voice in global digital governance.
